 AIDS Virus (HIV)  
 Antibody/Antigen  
 Testing**

Only one company is the issuer and responsible for obligations of any given policy and is hereinafter referred to as "the Company".

Insurer Name	Address
Examiner Name	Address

Acquired Immunodeficiency Syndrome (AIDS) is a life-threatening disorder of the immune system. It is caused by a virus called Human Immunodeficiency Virus (HIV). The virus is spread by sexual contact with an infected person, by exposure to infected blood (as in needle sharing during intravenous drug use or, rarely, as a result of a blood transfusion), or from an infected mother to her newborn infant.

To determine your insurability, the insurer named above (the Insurer) has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory.

Unless precluded by law, tests will be performed to determine the presence of HIV antibodies or antigens. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely reliable. Should you desire more information about the test of HIV infection before providing a blood sample, you may wish to consult with your physician or your local health department. If you are at high risk of HIV infection, you may want to be counseled and tested by your physician or at a free/low cost local test site. Your local health department can provide you with information as to the location of these sites.

All test results will be treated confidentially. They will be reported by the laboratory to the insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others such as its affiliates, reinsurers, employees or contractors, but not to agents and brokers.

If the Insurer is a member of the Medical Information Bureau (MIB, Inc.), and if the test results for HIV antibodies/antigens are other than normal, the Insurer will report to the MIB, Inc. a generic code which signifies only a non-specific blood test abnormality. If your HIV test is normal, no report will be made about it to the MIB, Inc.

The organizations described in the last two paragraphs may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or as authorized by you.

If your HIV antibody/antigen test results do not mean that you have AIDS, but that you are a significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

You are urged, at this time, to designate the physician or other health care provider to whom the HIV test results may be disclosed by the Insurer in the event the results are other than normal.

I authorize the disclosure of any HIV test results which are other than normal to the following physician or health care provider:

I have read and understand this Notice of Consent for AIDS Virus (HIV) Antibody/Antigen Testing. I voluntarily consent to the withdrawal of blood, and the disclosure of the test results as described above.

Notice of Insurance Information Practices**

We appreciate you applying for insurance with our company.

This notice explains our information practices. It describes the information we need, possible sources, reasons for collection and how your data is kept confidential. This notice also tells how we process your application. Please keep this notice for your records. The word "you" in this notice means the proposed insured.

#### **Overview**

Your insurance application contains specific personal questions about you. We need your answers to decide if you qualify for coverage. If you qualify, we determine the coverage for which you are eligible and the cost. This process, known as underwriting, takes into account factors such as physical and mental conditions, medical history, income, occupation, age, and hobbies. Underwriting makes it possible to keep rates fair.

#### **Sources and Types of Information**

You are the primary source of personal data. We may call you to verify data on your application, or to obtain more data. We may ask you about your age, medical history, occupation, income, habits, hobbies and other personal characteristics. We may contact other sources for personal data, including: (1) spouse, (2) accountant, (3) lawyer, (4) employer, (5) other persons who know you well, (6) insurance companies to which you may have applied for insurance in the past, (7) MIB, Inc., (8) governmental agencies and (9) consumer reporting agencies. We may also contact your doctor, hospital or other health care provider to clarify your medical history. We may ask that you have medical exams and tests.

Proper underwriting of your application may require use of an investigative consumer report. Upon written request, we will tell you if a report is made. We will provide the name and address of any outside agency who prepares the report. We will also tell you the nature and substance of the report. It would contain the same types of information that we collect from the other sources listed above. This data may be obtained through interviews with you, your family, friends, neighbors and associates.

You may ask that you be interviewed if we request this report. Data collected and retained by a consumer reporting agency may be disclosed to other insurance companies having proper authorization.

#### **Our Use of Information**

We follow strict standards to safeguard your personal information. It will be seen only by employees and agents of Principal Life Insurance Company who underwrite and administer your coverage. We may also provide data to: (1) MIB, Inc.; (2) other insurance companies, if you authorize release of the data to them; (3) our reinsurers, if needed to secure reinsurance; (4) federal and state agencies, and others if required by law; (5) our research personnel (anonymously) to help market our products.

#### **Access To Your Data**

Upon your written request, we will provide you with the nature and scope of your personal data in our records. You must give us proper identification. We will respond to your request within 21 days from the date of receipt. You may be charged a fee for any copies of your data. You have the right to receive in writing the specific information leading to an adverse underwriting decision. We reserve the right to disclose medical information only to a doctor, and we will request that you provide us with the name and address of your physician. You have the right to see your nonmedical data and obtain a copy. You have the right to correct or amend any data in your file. Any request for correction or amendment must be in writing. If we agree with you, we will notify anyone we may have given such incorrect data. We will also delete data from your file if we agree it is incorrect. If we disagree with your correction or amendment, we will give you our reason. You may respond in writing listing the basis on which you dispute the correctness of the data. Your response will be added to your file.

Information obtained through consumer reporting agencies will be furnished to you according to the provisions of the Fair Credit Reporting Act. You have a right to see and obtain a copy of any report made.

Upon written request, we will tell you the name of any person to whom we may have given your data. You should direct all requests to: Disability Insurance Underwriting Officer, P.O. Box 14455, Principal Life Insurance Company, Des Moines, Iowa 50306-3455 (Telephone 1-800-247-9988, extension 83797).

#### **MIB Pre-Notice**

Information regarding your insurability will be treated as confidential. Principal Life Insurance Company or its reinsurers may, however, make a brief report thereon to the MIB, Inc., formerly known as Medical Information Bureau, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its members. If you apply to another MIB member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information it may have in your file. Please contact MIB at 866-692-6901 (TTY 866-346-3642).
