REPLACEMENT NOTICE

(Complete this section for replacement policies only.)

Metropolitan Life Insurance Company ("MetLife"), New York, NY

If Part E, question #4 is answered YES, complete this Notice and leave a copy with the Applicant.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS OR LONG-TERM CARE INSURANCE. SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness insurance or long-term care insurance coverage and replace it with an individual long-term care insurance policy issued by Metropolitan Life Insurance Company. Your new policy provides thirty (30) days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy. You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care insurance coverage is a wise decision.

STATEMENT TO APPLICANT BY AGENT/PRODUCER: (Use additional sheets as necessary.) I have reviewed your current medical, health, and long-term care insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention:

1. The policy has no exclusion for pre-existing conditions. This means that health conditions which you may presently have are fully and immediately covered under the new policy, if such policy is issued.
2. In many states, state law provides that your replacement policy may not contain new pre-existing conditions or probationary periods. The policy you are applying for has no such pre-existing conditions or probationary periods.
3. Since you are planning to replace medical, health, or long-term care insurance coverage, you may wish to secure the advice of your present insurer or its Agent/Producer regarding the proposed replacement of your present coverage. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
4. If, after you have thought about it, you still wish to terminate your present coverage and replace it with a new policy, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

LONG-TERM CARE INSURANCE PERSONAL WORKSHEET

People buy Long-Term Care Insurance for many reasons. Some don't want to use their own assets to pay for long-term care. Some buy insurance to make sure they can choose the type of care they receive. Others don't want their family to pay for care or don't want to go on Medicaid. But long-term care insurance may be expensive, and may not be right for everyone.

By state law, the insurance company must fill out part of the information on this worksheet and ask you to fill out the rest to help you and the company decide if you should buy this policy.

PREMIUM INFORMATION

The company has sold long-term care insurance since 1986 and has sold this policy series since 2007. In 2009, MetLife applied a new premium rate schedule to individual long-term care insurance policy forms currently for sale in this and other states, where approved. Please note: The new premium rate schedules do not apply to any coverage that was in place prior to implementation of the new premium rates in that state. Your Agent/Producer can provide you with up-to-date information concerning the status of the approval of these new premium rate schedules in your particular state.

With respect to premium rates for existing policyholders, MetLife has raised rates on the two policy series noted below.

THINGS YOU SHOULD KNOW BEFORE YOU BUY LONG-TERM CARE INSURANCE

LONG-TERM CARE INSURANCE

A long-term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy thoroughly and make sure you understand what it covers before you purchase.

- You should **not** purchase this policy unless you can afford to pay the premiums every year. Remember that the company may increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this policy is suitable for your needs.

MEDICARE

Medicare is **not** designed to pay for long-term care.

MEDICAID

Medicaid will generally pay for long-term care services if you have very little income and few assets. If you are now eligible for Medicaid, you should not purchase this policy.

- Many people become eligible for Medicaid after they have exhausted their own financial resources paying for long-term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance, and some of your joint assets.
- Your choice of long-term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency.

SHOPPER'S GUIDE

Make sure the insurance company or Agent/Producer gives you a copy of a book called the "*National Association of Insurance Commissioners' Shopper's Guide to Long-Term Care Insurance*." Read it carefully. If you have decided to apply for long-term care insurance, you have the right to return the policy within 30 days and receive a full refund of any premium you had paid if you are dissatisfied for any reason or choose not to purchase the policy.

COUNSELING

Free counseling and additional information about long-term care insurance is available through your state's insurance counseling program. Contact your state Insurance Department or Department on Aging for more information about the senior health insurance counseling program in your state.

FACILITIES

Some long-term care insurance contracts provide for benefit payments in certain facilities only if they are licensed or certified, such as assisted living centers. However, not all states regulate these facilities in the same way. Also, many people move to a different state from where they purchased their long-term care insurance policy. Read the policy carefully to determine what type of facilities qualify for benefit payments, and to determine that payment for a covered service will be made if you move to a state that has a different licensing scheme for facilities than the one in which you purchased the policy.

LONG-TERM CARE INSURANCE POTENTIAL RATE INCREASE DISCLOSURE FORM

PREMIUM RATE The following premium rate is applicable to you and will be in effect until a request for an increase is made and is filed (and approved in those states that require approval) by your state Insurance Department: (choose one)

APPLICANT A \$ _____ per month, or \$ _____ per quarter, or \$ _____ semi-annually, or \$ _____ annually

APPLICANT B \$ _____ per month, or \$ _____ per quarter, or \$ _____ semi-annually, or \$ _____ annually

The premium for this policy will be shown on the schedule of benefits page of your policy.

RATE SCHEDULE ADJUSTMENTS Premium rate or rate schedule adjustments will be effective the first billing date that occurs on or after 45 days following notification of a rate adjustment.

POTENTIAL RATE REVISION This policy is **Guaranteed Renewable**. This means that the rates for this product may be increased in the future. Reasons why rates may be increased include but are not limited to changes in persistency, utilization and investments. Your rates CAN NOT be increased due to your increasing age or declining health, but your rates may go up based on the experience of all policyholders with a policy similar to yours.

If you receive a premium rate or premium rate schedule increase in the future, you will be notified of the new premium amount and you will be able to exercise at least one of the following options:

- Pay the increased premium and continue your policy in force as is.
- Reduce your policy benefits to a level such that your premiums will not increase. (Subject to state law minimum standards.)
- Exercise your nonforfeiture option if purchased. (This option is available for purchase as a nonforfeiture coverage rider for an additional premium.)
- Exercise your contingent nonforfeiture rights.* (This option may be available if you do not purchase the Nonforfeiture Coverage Rider, or if you purchase the Nonforfeiture Coverage Rider and it does not apply.)

***Contingent Nonforfeiture** If the premium rate for your policy goes up in the future and you didn't buy the Nonforfeiture Coverage Rider, or the Nonforfeiture Coverage Rider does not apply, you may be eligible for contingent nonforfeiture (referred to as "Contingent Benefit Upon Lapse" in the policy). Here's how to tell if you are eligible:

You will keep some long-term care insurance coverage, if:

- Your premium exceeds your original premium by the percentage shown (or more) in the following table; and
- You lapse (not pay more premiums) within 120 days of the increase.

The amount of coverage (i.e. new Total Benefit Amount) you will keep will equal the total amount of premiums you've paid since your policy was first issued. If you have already received benefits under the policy, so that the remaining Total Benefit Amount is less than the total amount of premiums you've paid, the amount of coverage will be that remaining Total Benefit Amount.

Except for this reduced Total Benefit Amount, all other policy benefits will remain at the levels attained at the time of the lapse and will not increase thereafter.

Should you choose this contingent nonforfeiture option, your policy, with this reduced Total Benefit Amount, will be considered "paid-up" with no further premiums due.

EXAMPLE

- You bought the policy at age 65 and paid the \$1,000 annual premium for 10 years, so you have paid a total of \$10,000 in premium.
- In the eleventh year, you receive a rate increase of 50% or \$500 for a new annual premium of \$1,500, and you decide to lapse the policy (not pay any more premiums).
- Your "paid-up" policy benefits are \$10,000 (provided you have at least \$10,000 of benefits remaining under your policy).

REPLACEMENT NOTICE

(Complete this section for replacement policies only.)

If replacement question #4 is answered **YES**, complete this Notice and leave a copy with the Applicant.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS OR LONG-TERM CARE INSURANCE. SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness insurance or long-term care insurance coverage and replace it with an individual long-term care insurance policy issued by Metropolitan Life Insurance Company. Your new policy provides thirty (30) days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy. You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care insurance coverage is a wise decision.

STATEMENT TO APPLICANT BY AGENT/PRODUCER: (Use additional sheets as necessary.) I have reviewed your current medical, health, and long-term care insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention:

1. The policy has no exclusion for pre-existing conditions. This means that health conditions which you may presently have are fully and immediately covered under the new policy, if such policy is issued.
2. In many states, state law provides that your replacement policy may not contain new pre-existing conditions or probationary periods. The policy you are applying for has no such pre-existing conditions or probationary periods.
3. Since you are planning to replace medical, health, or long-term care insurance coverage, you may wish to secure the advice of your present insurer or its Agent/Producer regarding the proposed replacement of your present coverage. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
4. If, after you have thought about it, you still wish to terminate your present coverage and replace it with a new policy, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

The information may be kept by the consumer reporting agency and later given to others as permitted by law. How We Use and Disclose What We Know About You to Offer You Other Products and Services:

The Health Insurance Portability and Accountability Act ("HIPAA") protects your information if you request or purchase long-term care insurance from us. In addition to the limitations described in this section "**How We Use and Disclose What We Know About You to Offer You Other Products and Services,**" HIPAA further limits our ability to use and disclose the information that we obtain as a result of your request or purchase of long term care insurance. Information about your rights under HIPAA will be provided to you with any long term care coverage issued to you. For more information see the last paragraph of this notice.

- If you are a dental, long term care, or health plan customer; we will not market to you without your consent based on what we know about you related to that coverage.
- We will not share your health information with any other company, even one of our affiliates, to permit it to market its products and services to you.

How You Can See and Correct Your Information: Generally, we will let you review what we know about you if you ask us in writing. (Because of its legal sensitivity, we will not show you anything that we learned in connection with a claim or lawsuit.) In some circumstances we may disclose what we know about your health through your health care provider. If you tell us that what we know about you is incorrect, we will review it. If we agree with you, we will correct our records. If we do not agree with you, you may tell us in writing, and we will include your statement if we give this information to anyone outside MetLife.

You Can Get Other Material from Us: In addition to any other privacy notice we may give you, we must give you a summary of our privacy policy once each year. You may have other rights under the law. For example, individuals who have dental, long term care, or health insurance coverage from us have certain rights under the federal Health Insurance Portability and Accountability Act (HIPAA).
