Transamerica helps loosen up some family ties.

Transamerica's newly enhanced underwriting guidelines allow applicants as young as 60 to qualify for Preferred status despite a family history of cardiac disease or cancer. And applicants as young as 65 get the same consideration to qualify for Preferred Plus or Select.

Take a look at how these improved guidelines work:

	Prior Family History Guidelines	New Enhanced Family History Guidelines
Qualify for Preferred Status	Waived only if applicant is aged 71 or above	Waived if applicant is aged <b>60</b> or older
Qualify for Preferred Plus Status (for Term) or Select Status (for Universal Life)	Waived only if applicant is aged 71 or above	Waived if applicant is aged <b>65</b> or older

Improved family history guidelines are just some of the many enhancements we've made to our underwriting guidelines.
